EDUCATION

BACHELOR DEGREE

FROM- SOBAN SINGH JEENA UNIVERSITY ALMORA
[01-08-2020] - [ON GOING]

MY THINKING

- ["A successful website does three things: It attracts the right kinds of visitors. Guides them to the main services or products you offer. Collect Contact details for future ongoing relation." – suraj singh]
- "First, solve the problem. Then write the code."
"Websites should look good from the inside and out."

WORK EXPERIENCE

- I have 2 years of web designing experience that I can create attractive website. And can host
- I have at least 60% experience with database management systems in which I can store and manage website datas.
- I recently created a project whose link is given below.
- Editing and updating any website component.
- Providing a nice look to the website from the style sheet.
